*At the end of the semester, you have the opportunity to revise any of your writing assignments for a higher score. Those with grades lower than a B will be required to revise. Details on these required revisions very soon.

**I have removed WA4 from the required writing assignments to give us more time to work on remaining projects. Instead, I will take the points originally assigned to WA4 and add those to the writing assignment for which you received the HIGHEST grade. In other words, the removed WA4 can only help you.
